

Graduate School of Economics, Osaka University
Changes to the Doctoral Program Entrance Examination

The Graduate School of Economics will make the following changes with regard to the selection methods for the doctoral program entrance examination.

<First round of selection (document screening) for April admission>

[Before the change] Until the entrance examination for April 2024 admission [Scheduled to be conducted in February 2024]

The first round of selection will not be conducted. The selection will be made based on an interview and a set of submitted documents.

[After the change] The entrance examination for April 2025 admission onward [Scheduled to be conducted in February 2025]

The first selection will be made based on a set of submitted documents, and only those who have passed the first selection will get an interview.

* For the entrance examination for October admission, the first round of selection will be conducted as before.

<Second round of selection (interview) for April and October admission>

[Before the change]

- Until the entrance examination for October 2023 admission [scheduled to be conducted in August 2023]
- Until the entrance examination for April 2024 admission [scheduled to be conducted in February 2024]

Interview will be conducted face-to-face at Osaka University.

[After the change]

- The entrance examination for October 2024 admission [scheduled to be conducted in August 2024] onward
- The entrance examination for April 2025 admission [scheduled to be conducted in February 2025] onward

Interview will be conducted online.
